

Ab and Flo Williamson Scholarship

Criteria: The purpose of the donation is to be used for an annual scholarship for post-secondary education granted out equally for the first two years of enrollment. The scholarship is to be awarded to a student with strong interest in the local community and who might consider remaining in the community. Unlike some scholarships, high academic achievement should not be the determining factor in making a selection. The intent of the scholarship is to support students with interests similar to Ab's. For this reason, trades and vocational education should be given priority. This scholarship is intended for students of the Souris Glenwood area.

Amount: \$600.00 per year

Funds will be paid to the institution upon proof of enrollment.

Selected by: Souris Glenwood Foundation

Students applying must submit a short essay to the board regarding their interest in local community and future plans.

In June 2009 the Souris Glenwood Foundation received a donation of Royal Bank Shares from the Ab Williamson estate. Ab himself was a tradesman and he and Florence had a great interest in the local farming community.
